MARIA COTILLA '81

To Maria:

a real wonderful and dear  
friend of mine. You're a real special  
person to me. I hope you someday  
find that very special guy  
that I'll give you all the love  
and happiness you deserve. I  
really care for you a lot so  
take care of yourself. I'm really  
going to miss you next year cuz  
I'm going to Mt. St. Mary's.  
But at least we'll graduate  
together. Remember you've  
always got a friend in me.  
Whenever you need to talk to  
someone just call me. (269-2555)  
I'll always have you in my  
thoughts so don't forget that,  
okay? Take care of yourself  
& best of luck always;

## Junior Class Receive Long Awaited Rings.

Year by year new classes arrive. Each with its own splendor. Because of the vast amount of time each class decides on how they want to do things about their activities. This was the case in the 1980 Junior Class Ring Ceremony. The Juniors decided to do things differently than the previous years. They decided to avoid an extremely elaborate ceremony but nevertheless, received their rings in a special manner. This day will remain a special memory of all Juniors because they did things differently and they showed an appreciation for their belonging to the beautiful

# Class Of 81' Sponsors Senior Farewell.

The Senior Farewell building seemed to come alive with decorations, lights, and music. The excitement was palpable. The event began promptly at 7:30 and continued until Midnight. The moment everyone was waiting for was finally here, and it definitely was an exciting evening. From all over the city of Los Angeles neighboring students poured anxiously into the massive activity. So many students got to the point where the dance floor was covered with a sound of moving feet. The atmosphere was a flame as the dance contest began and the millions of dancing conquered the crowd. The Senior Farewell was an event all students would remember for a lifetime.

## Friendship Day

On Friday, September 15th, the students of the school participated in a special day called Friendship Day. This day was created to help students from different grades and backgrounds get to know each other and form lasting friendships. The day was filled with various activities, including games, sports, and social events. Students were encouraged to interact with peers from other classes and grades, fostering a sense of community and teamwork. The day was a success, with many new friendships formed and old ones strengthened.

It was a wonderful time for the students to form these relationships. The day was a success! Friendship Day was a great day for everyone. ## Halloween's A Real Scream

It's the time of year when the streets are filled with the sound of screams and the air is thick with the scent of pumpkin pie. Halloween is a time of fun, fright, and fantasy. For many students, it's the perfect opportunity to let their imaginations run wild and to show off their creative costumes. From classic horror movie characters to original, home-made creations, the possibilities are endless. And, of course, there's always the thrill of the trick-or-treat run, where students can indulge in their favorite candies and sweets. Halloween is a time to let loose, to have fun, and to embrace the spooky season. It's a time when the real scream is the excitement of the night itself.

# Welcoming Students Of The Future

With curious and anxious faces two-hundred and six eight graders entered the welcoming doors of Bishop Conary. This event was the annual eight grade welcome which provides eight graders from all over Los Angeles with an opportunity to see and feel the Conary unity, the academic programs and all the daily activities as a Conary family member. This event was a great success under the organization and supervision of Sister Gloria Sturgeon, who provided these young women with a chance to see what Conary spirit was all about.

# Conary Rocks Back Into The 50's

Who says the 1950's are gone forever? If you were on the Conary campus on November 30 you would have sworn the fun-filled fifties were back! Even though those rocking fifties weren't back to stay, Conary students relived them for several hours. Suddenly the campus was filled with poodle skirts, pony tails, black and white suede shoes, greased hair and black jockers. Adding the finishing touches to this 50's day was Rock n' Roll sounds that soared all throughout the campus encouraging students to rise and participate in the dancing, cramming into the jammed telephone booth and to pour their pennies into the spirit jugs. Although there were thousands of pennies they didn't measure the excitement and enjoyment that was experienced by the 1979 students on this day.

# International Day: Sharing Our Rainbow

A multitude of cultural diversity exploded on International Day as festive costumes lit up the campus and the odor of international cuisine added to the excitement of this annual event. This year the theme "Sharing Your Rainbow" was chosen by the A.S.B. and it flowed throughout the entire event. Students had an opportunity to share their heritage by wearing costumes and bringing familiar and exotic foods. After an extended lunch the International spotlight flashed on dances from Mexico to Hawaii. The show also included a flamboyant fashion show. This year parents along with family member many guests had an opportunity to enjoy the delightful and enlightening performances promoting cultural discoveries, truly an opportunity to "Share Your Rainbow."

# An Honored Visit From Cardinal Manning

December is a month filled with many preparations to celebrate the holiday festivities. One of Conary's major preparation was not a holiday festivity but a very honored visit from Cardinal Timothy Manning.

On December 7th, the Cardinal arrived at Conary and was greeted by many of the students. Aside from the high honor of his presence, was the highlight of sharing the Eucharistic Celebration with all of the Conary family.

Along with Conary's Chaplain, Father Michael Carroll and St. Thomas's Father Peterson, the Cardinal celebrated Mass and shared some of his reflections on the Immaculate Conception.

The Cardinal thanked the Conary family for the invitation and expressed his sincere thought: "I'm very happy to see so many beautiful young ladies gathered in the presence of the Lord."

Emily Rodriguez gives Cardinal Manning a pom pom to really get him into the holiday spirit.

During the Cardinal's visit, many students received a blessing.

## Teaching Us For The Future

After the many years that Conary's firm walls, windows and doors have been here they continue to stand erect and proud. Who, along with the students continues to promote academic progress? The administration, often behind the scenes, four very warm, giving and devoted actualizers continue to strive for the present fulfillment of the Conary dream. Among the congested schedules of academic programming, school policies, disciplinary regulations and supervision of the entire school they have time to share of themselves with the students and to get involved in the activities planned by students. This proves that in order for Conary to survive many more years these four administrators have to be firm in their decisions and able to let the youth in them rejoice with the youth of Conary today.

# The Office-Conaty's Front Line Workers

A school is only as good as its people up front. Bishop Conaty has been blessed in this aspect because of its wonderfully efficient team of office workers. Barbara Cook, Evangeline Macerer, and Olga Obledo handle the routine paperwork, business transactions, mailing, and money collection that keeps Bishop Conaty running. This trio does its work well, but what's more important, they always do it with a smile!

Teacher Sofia Jussa performs one of the many duties of the Office of Attendance.

Ms. Jussa is always ready to help you with your school work.

# Math-A Basic Skill For Successful Living

Geometry, Algebra and Trigonometry, just a few of the Mathematics courses in Bishop Conary's curriculum. Some people may ask, "What good is Math?" There are many situations that can be solved by using the knowledge of mathematics. For example, in business, mathematics is used in processing. There are also positions in engineering, architecture, and of course, teaching. People who take Math learn to use their mind to its fullest potential. They learn to think quicker and make snap judgements accurately.

Elizabeth McGee- Introduction to Social Studies, Psychology, United States History, World Cultures

In today's ever changing world, the field of Social Studies takes on an increasingly important role in the high school curriculum. In order for an individual to make decisions on a personal level, she must be aware of the long term trends dictating social change. With a contemporary viewpoint in mind, the Social Studies Program supplies the Conary student with a background in United States History and American Government, as well as a chance to appreciate the diversity of human existence as it manifests itself in the many world cultures.

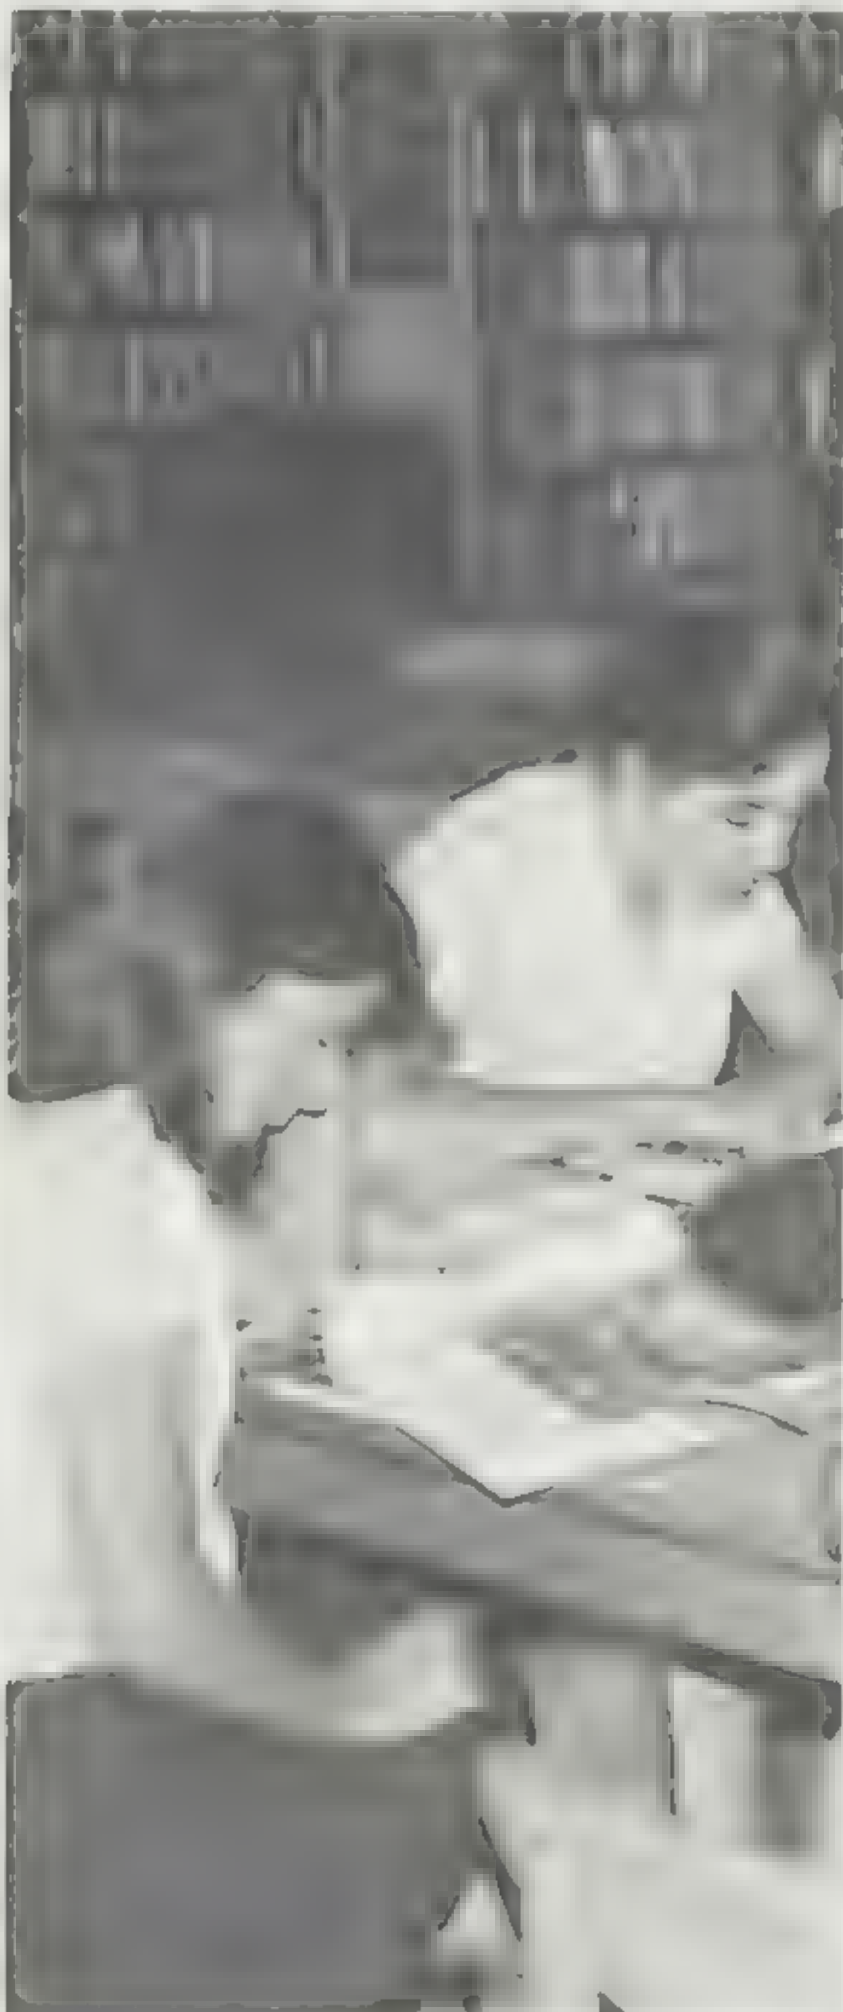

Something catches Ms. McGee's eye while waiting in the auditorium for an assembly to begin.

## Developing Writing Skills For The Future

Man's greatest invention is language. It is man's finest strongest weapon, deepest resource, largest hope.

Since each person possesses this magical gift of language each person has the potential to develop it and use it well throughout life. This is one of the main objectives of the English Department.

This will be accomplished by promoting the knowledge of basic skills in underclass courses to literature which offer the students an opportunity to absorb expressions from varied literature and to express ideas, impressions and feelings in correct and proper writing styles.

While hard at work, Mrs. Fowler, English class takes time to pose for our passing camera.

# Skills For The Future

Sr Helen Fruggerson of the Business Department, with Mrs. Alex and Miss Rodgers are helping prepare the students for the future world of business with skills like Typing, Accounting and Speedwriting. These skills are not only useful for the business world but also for everyday living. They are extremely helpful in many careers and makes college life easier. Business skills are a necessity in this day's competitive society.

# Science Moves Into A New Age

What is life? How does life begin and exist? These are among the many questions the Science Department strives to answer. The chemical equations of Chemistry and the dissections in Biology along with the Science Department offer the students an opportunity to become aware of the environment and changes in this technological age.

With the possibility of grasping all this knowledge students are challenged with a strategic thinking and the ability to handle items ranging from mild to dangerous experiments making health charts.

This year Mrs. Taylor's Biology students were challenged with yet another discovery. Tee shirts designed by the students were voted on by the students. Mrs. Steeper also encouraged the girls to wear their Tee shirts during field trips.

Year by year the students are able to see the importance of scientific knowledge being offered in the Science Department.

Spiritual development and moral growth are the centerposts of any Catholic High School. At Bishop Conaty Memorial High School, every student is given an opportunity to explore her own spiritual being. Freshmen and Sophomore years are dedicated to Bible study and an indepth look into the personage of Jesus Christ. The upper division years specialize and branch out into a myriad of topics. Girls have the option of studying Death and Dying, Scripture and Prayer, contemporary moral problems, and Christian service. The Religious Studies Program offers every student an opportunity to learn to live as Christ did.

# Home Ec.: For Better Living In the 80's

Home Economics is a course that was established to develop a girl's sense of responsibility towards herself, her home, and her family. Conary girls have received Home Economic instruction in order to develop a sense of value, resourcefulness, enthusiasm and genuine interest in all aspects of homemaking and family life. Each student has learned to identify with and develop certain fundamentals that increase knowledge and skills in family and communal living. Many students will be successful in raising a family or reaching professional goals in Home Economics because of the guidance from Miss Somogyi.

# CLUBS

# Club's Day: The Promise Of An Active Year

On September 20, the A.S.B. sponsored Club Day. It started out as a good Thursday. But right after school, the students assembled in the gym. After the A.S.B. Prayer, the principal, the A.S.B. President, and the club members, had students from each of the organizations in Blaine County. All the speakers were enthusiastic and encouraging when the principal had finished everyone was allowed to sign up for the rest of the year. After hearing for the last period of the day, many students were standing up. From the student response for Club Day, it seems that most of the girls were really ready for a new year.

Club Day was a success. The students were very enthusiastic and ready for a new year.

With parents and teachers, the students were very active in the new year.

# Drillettes Unify School Spirit

One of the prominent components of G.A.A. is the drill team known as the Drillettes. Led for the second year by Rafaela Turner and Kathy Stokes, they have become an important part of the spirit boost here at Bishop Conary High School. The spark that the Drillettes add to our assemblies is a dynamic force that won't be forgotten for a long time!

# Sharing For A Better World

One of the most active and vivid clubs at Conary is a club known as Project Concern. The main objective of the club is to dedicate themselves to communities in need and in spreading Christianity. The attempt to accomplish these two main objectives were visible in their varied activities. Under the leadership of Sr. Judy Malosky, Moderator, and Eva Pniela, president, the club organized and promoted activities such as, the turkey and food drive for Thanksgiving, Candy grams on Valentines Day, a visit to a juvenile detention center, Bloodmobile Drive, the 3rd Annual Hunger Walk, and a visit to a Tjular Orphanage.

Through their many efforts and activities it can be said that Project Concern certainly has accomplished their objectives and touched many through it.

Over the past 4 years, Eva Pniela has been a dedicated leader in Christian services and the Conary spirit.

Thanks for being that perfect lil sis that I was

To my dear friend (mother) Jackie Guros  
Thanks for your friendship and your help

Well, what can I say, but we made it! These last four years at Conary have been fun with all of you. We shared our thoughts, joys, sadness, and our crazy moments. Those are the times I remember best.

The dreams I have today. The dreams I have tomorrow. You're the ones who make them all worthwhile.  
From your, best friend, twin sis, big sis, lil sis, and of course from your baby

Nena,  
I'd like to thank-you for being my little  
sister here at Conary for the past three  
years. You've been very special to me  
Thanks for listening and caring to all my  
joys and sadness

Nena always keep in mind that if you  
ever need anything or an ear to listen,  
just call and I'll be happy to help

I hope your last year here at Conary will  
be fun and filled with memories. Take  
care throughout the summer and don't  
ever forget I love you

Love always, your big Sis,  
Loly

Congratulations to someone who I  
really care for. I hope that  
through out the coming year  
your life will be filled with  
happiness, success and myself to  
share it with you. Stay the same  
sweet girl that belongs to me  
forever

Love Always,
